[FORM OF REVERSE OF NEW SERIES BONDS]

This bond is one of an issue of bonds of the Company (hereinafter referred to as the "bonds"), not limited in principal amount, issuable in series, which different series and bonds of the same series may mature at different times, may bear interest at different rates, and may otherwise vary as in the Mortgage hereinafter mentioned provided and is one of a series known as its First Mortgage Bonds, designated Secured Medium-Term Notes, Series A (herein sometimes referred to as "bonds of this Series"), all bonds of all series issued and to be issued under and equally and ratably secured (except insofar as any sinking or analogous fund, established in accordance with the provisions of the Mortgage hereinafter mentioned, may afford additional security for the bonds of any particular series) by a Mortgage and Deed of Trust (herein, together with any indentures supplemental thereto, called the Mortgage) dated as of January 1, 1942, executed by the Company to BANKERS TRUST COMPANY, as Trustee, to which reference is made for a description of the property mortgaged and pledged, the nature and extent of the security, the rights and limitations of rights of the holders of the bonds and of the Company in respect thereof, the rights, duties and immunities of the Trustee, and the terms and conditions upon which the bonds are, and are to be, issued and secured.

The Mortgage contains provisions permitting the Company and the Trustee, with the consent of the holders of not less than seventy-five per centum (75%) in principal amount of all of the bonds at the time outstanding (determined as provided in the Mortgage) evidenced as in the Mortgage provided, or in case the rights under the Mortgage of the holders of bonds of one or more, but less than all, of the series of bonds outstanding shall be affected, then with the consent of the holders of not less than seventy-five per centum (75%) in principal amount of the bonds at the time outstanding of the series affected (determined as provided in the Mortgage) evidenced as in the Mortgage provided,

to execute supplemental indentures adding any provisions to or changing in any manner or eliminating any of the provisions of the Mortgage or modifying in any manner the rights of the holders of the bonds and coupons; provided, however, that no such supplemental indenture shall (i) extend the fixed maturity of any bonds, or reduce the rate or extend the time of payment of interest thereon, or reduce the principal amount thereof, without the consent of the holder of each bond so affected, or (ii) reduce the aforesaid percentage of bonds, the holders of which are required to consent to any such supplemental indenture, without the consent of the holders of all bonds then outstanding. Any such consent by the holder of this bond (unless effectively revoked as provided in the Mortgage) shall be conclusive and binding upon such holder and upon all future holders of this bond, irrespective of whether or not any notation of such consent is made upon this bond.

No reference herein to the Mortgage and no provision of this bond or of the Mortgage shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest of this bond at the time and place and at the rate in the coin or currency herein prescribed.

The bonds of this Series are issuable only as fully registered bonds in denominations of \$100,000 and in denominations exceeding such amount in integral multiples of \$1,000 authorized by the Board of Directors or the Executive Committee of the Company. At the office or agency to be maintained by the Company in said Borough of Manhattan and in the manner and subject to the limitations provided in the Mortgage, bonds of such series may be exchanged for a like aggregate principal amount of bonds of such series and maturity of other authorized denominations without charge except for any tax or taxes or other governmental charges incident to such exchange.

This bond may be redeemed, at the option of the Company, on or after the Initial Redemption Date, if any, specified above, as a whole or from time to time in part, after notice mailed to the registered holder hereof directed to his registered address not less than thirty days and not more than ninety days before such redemption date, at the redemption prices (expressed in percentages of principal amount) set forth in the following [or attached] table under "Regular Redemption Prices", together with accrued interest to the date of redemption:

**[REGULAR REDEMPTION TABLE
TO BE INSERTED OR ATTACHED]**

The bonds of this Series may, subject to certain limitations set forth in the Mortgage, also be redeemed on any date prior to maturity, as a whole or from time to time in part, after notice mailed to the registered holder hereof directed to his registered address not less than thirty days and not more than ninety days before such redemption date by the application therefor of cash deposited with or received by the Trustee pursuant to Sections 5.06, 5.07, 5.08, 5.15, 7.02, 9.02, 9.03, 9.04, 9.05 and 9.07 of the Mortgage, if not otherwise withdrawn, used or applied in accordance with the provisions of the Mortgage, all as provided in the Mortgage, in each case, at the principal amount thereof, together with accrued interest to the date of redemption; provided, however, that on any such redemption the portion of such cash applied to the redemption of bonds of the New Series at a price equal to the principal amount thereof shall not exceed that fraction of such cash which is equal to the ratio of (i) the aggregate principal amount of bonds of the New Series outstanding at that time to (ii) the aggregate principal amount of all bonds of all series outstanding at that time.

The Mortgage provides that any notice of such redemption may state that it is subject to the receipt of the redemption moneys by the Trustee before the date fixed for redemption and such notice shall be of no effect unless such moneys are so received before such date.

The Mortgage provides that if the Company shall deposit with the Trustee in trust for the purpose funds sufficient to pay the principal of all of the bonds of any series, or such of the bonds of any series as have been or are to be called for redemption, and premium, if any, thereon and all interest payable on such bonds to the date on which they become due and payable at maturity or upon redemption or otherwise, and shall comply with the other provisions of the Mortgage in respect thereof, then from the date of such deposit such bonds shall no longer be entitled to any lien or benefit under the Mortgage.

The principal hereof may be declared or may become due prior to the express date of the maturity hereof on the conditions, in the manner and at the time set forth in the Mortgage, upon the occurrence of a completed default as in the Mortgage provided.

This bond is transferable as prescribed in and subject to the limitations contained in the Mortgage by the registered holder hereof in person, or by his duly authorized attorney, at the office or agency of the Company in said Borough of Manhattan, upon surrender and cancellation of this bond, and thereupon, a new fully registered bond or bonds of authorized denominations of the same series and maturity and for the same aggregate principal

amount will be issued to the transferee in exchange herefor as provided in the Mortgage without charge except for any tax or taxes or other governmental charges incident to such transfer. The Company and the Trustee, any paying agent and any bond registrar may deem and treat the person in whose name this bond is registered as the absolute owner and holder hereof, whether or not this bond shall be overdue, for the purpose of receiving payment and for all other purposes and neither the Company nor the Trustee nor any paying agent nor any bond registrar shall be affected by any notice to the contrary.

No recourse shall be had for the payment of the principal of or interest on this bond, or for any claim based hereon, or otherwise in respect hereof, or based on or in respect of the Mortgage, against any incorporator or any past, present or future subscriber to the capital stock, stockholder, officer, or director, as such, of the Company or of any successor corporation, either directly or through the Company or any successor corporation, under any rule of law, statute or constitution or by the enforcement of any assessment or otherwise, all such liability of incorporators, subscribers, stockholders, officers and directors, as such, being waived and released by the holder and owner hereof by the acceptance of this bond and being likewise waived and released by the terms of the Mortgage; and

WHEREAS, all acts and things prescribed by law and by the charter and by-laws of the Company necessary to make the bonds of the New Series when executed by the Company and authenticated by the Trustee, as in the Mortgage provided, valid, binding and legal obligations of the Company, entitled in all respect to the security of the Mortgage, have been performed or will have been performed prior to execution of such bonds by the Company and authentication thereof by the Trustee; and

WHEREAS, provision is made in Sections 5.11 and 17.01 of the Original Indenture for such further instruments and indentures supplemental to the Original Indenture as may be necessary or proper (a) to carry out more effectually the purposes of the Original Indenture; (b) expressly to subject to the lien of the Original Indenture any property acquired after the date of the Original Indenture and intended to be covered thereby, with the same force and effect as though included in the granting clauses thereof; (c) to set forth the terms and provisions of any series of bonds to be issued and the forms of the bonds and coupons, if any, of such series; (d) to add such further covenants, restrictions or conditions for the protection of the mortgaged and pledged property and the holders of bonds as the Board of Directors of the Company and the Trustee shall consider to be for the protection of the holders of bonds; and (e) to cure any ambiguity of the Original Indenture which shall

not adversely affect the interests of the holders of the bonds;
and

WHEREAS, the Company has acquired additional property; and it is desired to add certain further covenants, restrictions and conditions for the protection of the mortgaged and pledged property and the holders of bonds which the Board of Directors of the Company and the Trustee consider to be for the protection of the holders of bonds; and the Company desires to issue from time to time bonds of the New Series; and the Company and the Trustee deem it advisable to enter into this Supplemental Indenture for the purposes of carrying out the purposes of the Original Indenture, of expressly subjecting additional property to the lien of the Mortgage, of setting forth certain terms and provisions of the New Series Bonds and the form of the bonds of the New Series, of setting forth such further covenants, restrictions and conditions and to cure an ambiguity in the Original Indenture so as to permit execution of the bonds of the New Series by manual or facsimile signature; and

WHEREAS, it was intended by the execution and delivery of the Original Indenture and the aforesaid Supplemental Indentures to subject to the lien of the Original Indenture, and to grant to the Trustee a security interest in, all of the property, real, personal and mixed, then owned by the Company or thereafter acquired by the Company, as and to the extent set forth therein, subject to the provisions thereof, except such property as was therein expressly excepted and excluded from the lien and operation thereof; and it is the intention of the parties hereto, by the execution and delivery of this Supplemental Indenture, to provide the Trustee with further assurances by also creating in favor of the Trustee a security interest, pursuant to the provisions of the Uniform Commercial Code, in such of the aforesaid property as may by law be subjected to such a security interest, except such thereof as is expressly excepted and excluded as aforesaid or herein; and

WHEREAS, the execution and delivery of this Supplemental Indenture have been duly authorized by the Board of Directors of the Company, and all conditions and requirements necessary to make this Supplemental Indenture a valid, binding and legal instrument in accordance with its terms, for the purposes herein expressed, and the execution and delivery hereof, in the form and terms hereof, have been in all respects duly authorized;

NOW, THEREFORE, in order further to secure the payment of the principal and interest of all bonds issued and to be issued under the Original Indenture and any indenture supplemental thereto, including this Supplemental Indenture, according to their tenor, purport and effect and the performance

IN TRUST NEVERTHELESS upon the terms, trusts, uses and purposes specifically set forth in the Mortgage;

AND IT IS HEREBY FURTHER COVENANTED AND AGREED, and the Company and the Trustee have mutually agreed, in consideration of the premises, as follows:

ARTICLE I. NEW SERIES BONDS.

Section 1.01 The bonds of the New Series shall be designated as is specified for such designation in the recitals immediately preceding the form of the bonds of the New Series. The aggregate principal amount of bonds of the New Series shall be limited to One Hundred Million Dollars (\$100,000,000) to be initially authenticated and delivered from time to time upon delivery to the Trustee of the items specified in Article IV of

the Mortgage, including a resolution of the Board of Directors or the Executive Committee of the Company specifying the principal amount of the bonds of the New Series to be issued on the specified date of issuance, the numbers, denominations, dated date or dates, maturity date or dates, redemption prices and interest rate or rates of such bonds of the New Series; provided that no bond of the New Series shall mature on a date less than nine months or more than ten years from the date of issue.

Section 1.02 Each bond of the New Series shall be dated the date of its authentication (an "Issue Date") and shall bear interest from the Issue Date of said bond or from the most recent interest payment date to which interest has been paid or duly provided for with respect to such bond (or the bond or bonds in exchange or substitution for which such bond was issued); except that, so long as there is no existing default in the payment of interest on the bonds of the New Series, any bond of the New Series authenticated by the Trustee between the record date (as defined in Section 1.03 hereof) for any interest payment date and such interest payment date shall bear interest from such interest payment date; provided, however, that if and to the extent the Company shall default in payment of the interest due on such interest payment date, then any such bond of the New Series shall bear interest to that extent from the most recent interest payment date to which interest has been paid or duly provided for with respect to such bond (or the bond or bonds in exchange or substitution for which such bond was issued), or, if no interest has been paid, then from the Issue Date of such bond.

Section 1.03 Unless previously redeemed pursuant to the provisions hereof and of the Mortgage, each bond of the New Series shall be payable on the maturity thereof, in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts, and shall bear interest, payable in like coin or currency, at the rate per annum and from the date specified for such bond by the resolution of the Board of Directors or the Executive Committee of the Company referred to in Section 1.01, payable semiannually on May 1 and November 1 of each year and on the maturity date of said bond commencing with the interest payment date following the Issue Date of said bond; provided, however, if the Issue Date of a bond is between the record date for an interest payment date and the interest payment date, interest payments on said bond will commence on the second interest payment date following the Issue Date; and at the highest rate of interest borne by any of the bonds outstanding under the Mortgage from such date of maturity until they shall be paid or payment thereof shall have been duly provided for. Principal of and interest on the bonds of the New Series shall be

payable at the office or agency of the Company in the Borough of Manhattan, The City of New York.

The persons in whose names bonds of the New Series are registered at the close of business on any record date (as hereinafter defined) with respect to any interest payment date shall be entitled to receive the interest payable on such interest payment date (except that in case of any redemption of bonds of the New Series on a date subsequent to the record date and prior to such interest payment date, interest on such redeemed bonds shall be payable only to the date fixed for redemption thereof and only against surrender of such bonds for redemption in accordance with the notice of such redemption) notwithstanding the cancellation of any bond of the New Series upon any registration of transfer or exchange subsequent to the record date and prior to such interest payment date; provided, however, that if, and to the extent, the Company shall default in the payment of the interest due on any interest payment date, such defaulted interest shall be paid to the persons in whose names outstanding bonds of the New Series are registered on the day immediately preceding the date of payment of such defaulted interest or, at the election of the Company, on a subsequent record date established by notice given by mail by or on behalf of the Company to the holders of bonds of the New Series not less than fifteen days preceding such subsequent record date. The term "record date" shall mean, with respect to any regular semiannual interest payment date, the close of business on the fifteenth day of the calendar month next preceding such interest payment date (or if such fifteenth day is not a business day, the next preceding business day) or, in the case of defaulted interest, the close of business on any subsequent record date established as provided above.

Section 1.04 (a) Each bond of the New Series may be redeemed at the option of the Company, as a whole or from time to time in part, after notice mailed to the registered holder of such bond directed to his registered address not less than thirty days and not more than ninety days before such redemption date, on or after the date and at redemption prices established for such bond by the resolution of the Board of Directors or the Executive Committee of the Company referred to in Section 1.01 together with accrued interest to the date of redemption.

(b) All bonds of the New Series may also be redeemed on any date prior to maturity, as a whole or from time to time in part, after notice mailed to the registered holder of such bond directed to his registered address not less than thirty days and not more than ninety days before such redemption date by the application therefor of cash deposited with or received by the Trustee pursuant to Sections 5.06, 5.07, 5.08, 5.15, 7.02, 9.02, 9.03, 9.04, 9.05 and 9.07 of the Mortgage, if not otherwise

withdrawn, used or applied in accordance with the provisions of the Mortgage, in each case, at the principal amount thereof, together with accrued interest to the date of redemption, provided, however, that on any such redemption the portion of such cash applied to the redemption of bonds of the New Series at such redemption prices shall not exceed that fraction of such cash which is equal to the ratio of (i) the aggregate principal amount of bonds of the New Series outstanding at that time to (ii) the aggregate principal amount of bonds of all series outstanding at that time.

(c) If at the time of the mailing of any such notice of redemption the Company shall not have irrevocably directed the Trustee to apply funds deposited with the Trustee, or held it available to be used, for the redemption of such bonds, to redeem all of such bonds called for redemption, including accrued interest to the date fixed for redemption, such notice may state that it is subject to the receipt of the redemption moneys by the Trustee before the date fixed for redemption and such notice shall be of no effect unless such moneys are so received before such date.

Section 1.05 Any or all signatures of the officers of the Company upon any of the bonds of the New Series may be either manual or facsimile signatures.

Section 1.06 Bonds of the New Series shall be issuable only as fully registered bonds in denominations of \$100,000 and in denominations exceeding such amount in integral multiples of \$1,000 authorized by the Board of Directors or the Executive Committee of the Company. Bonds of the New Series shall be exchangeable at the option of the holders thereof, in like aggregate principal amounts, for bonds of the New Series having the same maturity of other authorized denominations. Bonds of the New Series shall be substantially in the form thereof hereinbefore recited with the insertion of numbers, denominations, dated dates, maturities, redemption prices and interest rates as determined by the Board of Directors or the Executive Committee of the Company in accordance with the terms of the Mortgage.

Section 1.07 The last sentence of Section 2.03 of the Original Indenture shall not apply to bonds of the New Series. In case less than all of the bonds of the New Series at the time outstanding are called for redemption, the Company shall not be required to transfer or exchange any bonds of the New Series for a period of 10 days before the mailing of a notice of redemption of bonds of the New Series selected for redemption, to transfer or exchange any bond of the New Series called for redemption in its entirety or to transfer or exchange any portion of a bond of the New Series which portion has been called for redemption.

Section 1.08 The Company covenants and agrees that, notwithstanding Section 2.03 of the Original Indenture, it will not charge any sum for or in connection with any exchange or transfer of any bond of the New Series, but may require the payment of a sum sufficient to cover any tax or taxes or other governmental charges incident to any exchange, transfer or registration thereof.

ARTICLE II.
